It's happening in July 2024 and we'd love to welcome you!

# SACRED SITES

## THE TOR

Steeped in Arthurian legend, the Tor is seen as the gateway between the earthly realm and Avalon itself, as well as the crossing points of powerful ley lines. We will take mindful walks up the Tor daily, as well as observing the Full Moon rise one evening.

## CHALICE WELL + THE RED & WHITE SPRING

A spiritual sanctuary and a place of healing and unity, the Chalice Well Gardens is the location of The Red Spring - an iron rich spring steeped in mythology. We will spend an afternoon visiting this peaceful garden and spring.

Across the road is The White Spring, a purifying spring and sacred place of worship. We will be able to have a private access to this spring for a water cleansing ceremony.

## GOG & MAGOG

Known as the "Oaks of Avalon", these two beauties were considered an entry point to the isle, as well as being a ceremonial Druidic avenue of oak trees running towards the Tor and beyond.

# SACRED SITES

## ST MARGARET'S CHAPEL

A place of divine feminine worship, this chapel is the oldest in Glastonbury originally dating to the 13th century. Our private sound healing event will take place in this chapel.

## WEARYALL HILL

A narrow ridge to the south of Glastonbury with views to the Tor, the legend of the Holy Thorn begins on this hill when it is said that Joseph of Arimathea planted his staff here when arriving to these lands and it took root here as the Holy Thorn.

## AVALON ORCHARD

Known as the entrance to the fairy realms and the otherworld, the orchard lies at the base of the Tor. Weather permitting, a few of our astrology lessons will take place in this beautiful, peaceful location.

## THE ABBEY

The Abbey has a deep history which links the druids to christianity, and during the retreat we walk the grounds and ruins before one of our astrology classes.

# ASTROLOGY PROGRAM

The astrology program has been curated by our host Katie Emma of Temple of Cosmic Astrology School, who has been a professional Astrologer for 12 years.

These modules offer you practical tools and insights into interpreting your natal chart, as well as working *elementally* with the land of Avalon and Glastonbury. This is a truly unique retreat program!

During the retreat we will cover:

- The Chart Ruler
- Exploring your Relocated Chart in Avalon
- The Chiron Cycle
- The Angles & the Pillars of Life
- Intuition in the Natal Chart
- Embracing the Elements of Avalon
- Exploring the Past with the Nodes
- Astrology for the Times: 2024-2030

## TRANSITS

During this retreat, there are some powerful astrological transits taking place, and we'll be sharing additional teachings and activities to celebrate these powerful collective alignments.
